DECISION ON JOINT STIPULATION¹

On July 1, 2022, James Shapouri (“Petitioner”) filed a petition, seeking compensation under the National Vaccine Injury Compensation Program (“the Vaccine Program”).² Pet., ECF No. 1. Petitioner alleges he suffered from Guillain-Barré syndrome (“GBS”) and/or chronic inflammatory demyelinating polyneuropathy (“CIDP”) as a result of the influenza (“flu”) vaccination he received on November 16, 2020. *See* Stipulation ¶ 2, 4, dated July 27, 2023 (ECF No. 26); *see also* Petition.

Respondent “denies that petitioner’s alleged GBS and/or CIDP or its residual effects were caused-in-fact by the flu vaccine; and denies that the flu vaccine caused petitioner any other injury

² The Vaccine Program comprises Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755 (codified as amended at 42 U.S.C. §§ 300aa-10–34 (2012)) (hereinafter “Vaccine Act” or “the Act”). All subsequent references to sections of the Vaccine Act shall be to the pertinent subparagraph of 42 U.S.C. § 300aa.

or petitioner's current condition." *See* Stipulation ¶6. Nonetheless, both parties, while maintaining their above-stated positions, agreed in a stipulation filed July 27, 2023, that the issues before them can be settled and that a decision should be entered awarding Petitioner compensation.

I have reviewed the file, and based upon that review, I conclude that the parties' stipulation is reasonable. I therefore adopt it as my decision in awarding damages on the terms set forth therein.

The stipulation awards:

- a. A lump sum of \$100,000.00 in the form of a check payable to Petitioner; and
- b. A lump sum of \$1,801.45 representing reimbursement of a Medicaid lien for services rendered to Petitioner by the State of California, in the form of a check payable jointly to Petitioner and the State of California Department of Healthcare Services:

Stipulation ¶8. This award represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

I approve a Vaccine Program award in the requested amount set forth above to be made to Petitioner. In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of the Court is directed to enter judgment herewith.³

Special Master Katherine E. Oler

STIPULATION

The parties hereby stipulate to the following matters:

1. James Shapouri (“petitioner”) filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to petitioner’s receipt of an influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a)
2. Petitioner received a flu vaccine on November 16, 2020.
3. The vaccine was administered within the United States.
4. Petitioner alleges that petitioner suffered Guillain-Barré Syndrome (“GBS”) and/or Chronic Inflammatory Demyelinating Polyneuropathy (“CIDP”) that was caused-in-fact by the flu vaccine. Petitioner further alleges that petitioner suffered the residual effects of the alleged injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on petitioner’s behalf as a result of the alleged injury.

6. Respondent denies that petitioner's alleged GBS and/or CIDP or its residual effects were caused-in-fact by the flu vaccine; and denies that the flu vaccine caused petitioner any other injury or petitioner's current condition.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments for all damages that would be available under 42 U.S.C. § 300aa-15(a):

- a. A lump sum of **\$100,000.00** in the form of a check payable to petitioner.
- b. A lump sum of **\$1,801.45¹** representing reimbursement of a Medicaid lien for services rendered to petitioner by the State of California, in the form of a check payable jointly to petitioner and the State of California Department of Health Care Services:

Department of Health Care Services
Recovery Branch - MS 4720
DHCS account number C98680965F-VAC03
P.O. Box 997421
Sacramento, CA 95899-7421

¹ This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of California may have against any individual as a result of any Medicaid payments the State of California has made to or on behalf of petitioner as a result of petitioner's alleged injury relating to a vaccine administered on November 16, 2020, under Title XIX of the Social Security Act, *see* 42 U.S.C. § 300aa-15(g), (h).

Petitioner agrees to endorse this check to the State of California Department of Health Care Services.

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and petitioner's attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorney's fees and litigation costs, and past unreimbursed expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in petitioner's individual capacity, and on behalf of petitioner's heirs, executors, administrators, successors or

assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on November 16, 2020, as alleged in a petition for vaccine compensation filed on or about July 1, 2022, in the United States Court of Federal Claims as petition No. 22-736V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or

amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused petitioner's alleged injuries or any other injury or petitioner's current disabilities.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.

END OF STIPULATION

PETITIONER:

JAMES SHAPOUR
